

ABOUT OUR LISTSERVS

This listserv is a private group. It consists of seven NYSSCSW chapter Listservs currently reaching over 1,500 members. There are listservs for the following chapters: (1) Metropolitan, including the Bronx and Brooklyn, (2) Mid-Hudson, Upstate and Western New York, (3) Nassau and Suffolk, (4) Queens, (5) Rockland, (6) Staten Island and (7) Westchester.

Since its inception in 2006, these listservs have been a rich source of information and direct contact between members, allowing for communication on many subjects both professional and non-professional. The listservs have created a unique on-line community, increasing connection and access to news affecting clinical social work practice.

Our Help Desk reads posts daily and are available to assist members or answer questions about how and what to post. You may receive emails from the members of your Listserv group as soon as they are posted or you may elect to receive the Digest form. With Digest, all posts from a single day are bundled together and sent to you as one post.

To join one of the 7 Listserv groups, contact our administrative office at info.nysscsw@gmail.com or call 800-288-4279.

If you are already a member of a chapter listserv and need assistance from the Help Desk on how to post, email info.nysscsw@gmail.com or call 800-288-4279.

To unsubscribe or change your email address, email us at info.nysscsw@gmail.com.
