

New York State Society for Clinical Social Work, Queens Chapter - Mentorship Program

Our mentorship group meets immediately after our educational presentations. The group is run by experienced clinical social workers and is for recent MSW graduates and social workers interested in developing their clinical practices.

Our discussions may include the following:

- • **Developing strategies for career development**
- • **Understanding practice standards**
- • **Identifying and pursuing continued learning needs**
- • **Ethical and legal dilemmas**
- • **Skill development**
- • **Enhancing professional adaptability**
- • **Collegial networking**

For more information on meeting dates and locations please contact Carol D'Andrea.
